Owings Mills, MD | (443) 840-7807 | phongvan.nguyen06@gmail.com | [linkedin.com/in/phongvannguyen](https://www.linkedin.com/in/phongvannguyen)

SUMMARY

Actively seeking out jobs that will teach me more about software development while giving back to the community. Strong learning capabilities, having learned multiple new technologies in order to complete a project within a certain timeframe.

EDUCATION

University of Maryland, Baltimore County (UMBC) – Baltimore, MD
Bachelor of Science, Information Systems

Graduated: June 2020

EXPERIENCE

Freelance Web Developer – Baltimore, MD

July 2019 – Present

- Design and maintain websites for local businesses.
- Offer training for clients who prefer to make simple changes themselves.
- Learn new technologies to deliver the most suitable solution.

PROJECTS

mycrystalthai.net (My Crystal Thai LLC) *Frontend*

March 2020 – April 2020

Technologies Used: Angular, Git, Bootstrap, HTML, CSS, JavaScript

- Provided a low-cost way to advertise the owner's restaurant 24/7.
- Provided end-user training for website maintenance and updating.
- Increased sales by at least 15% on average daily over the first few months.
- Doubled customer satisfaction level.

e-commerce site prototype (code on GitHub) *Full-stack*

July 2019 – August 2019

Technologies Used: Angular, MongoDB, Express, Node.js, Git, Bootstrap.

- Researched new technologies, software packages for use in the website project.
- Worked together with another developer to establish milestones and deadlines.
- Designed, developed, and implemented readable, reusable APIs.

TEAMWORK

IS 436 – Structured Systems Analysis and Design

System Development Life Cycle Project

January 2020 – May 2020

- Collaborated closely with 4 others to develop a home renting prototype system.
- Fulfilled team responsibilities and demonstrated personal commitment to the team.
- Cooperated with team members to resolve problems to ensure team goals are achieved.

My Crystal Thai

Server

July 2018 – June 2020

- Worked with other servers as a team to take care of customers with questions, and helped the manager to train new part-time waiters.
- Assisted servers in meeting the needs of the dining room that sits over 50 guests at peak hours.

ADDITIONAL
